APRIL question A traditional rhyme of Sussex related to Picture (9) is??

Look out for small birds most can be seen until foliage returns..

NOTE

1st flowering bluebells (10)
N.E side of wood March 24th
2016, towards end of this month all should be out in the usual places

STILL **VERY** slippery /muddy in some areas, main path through east facing gate and path to hide /beyond good , some side paths off these negotiable with stout footwear.
Do not forget to keep items of value out of sight when you leave your vehicles, as opportunist thieves visit this car par ENJOY YOUR VISIT please use the bins provided thank you.

3-04 2016 It seems a change of heart re forestry commission regarding cycling, although" no cycling" notices still up around pathways,
